

Second Wind Ensemble Extreme Weather Policy

Aim:

To provide guidelines for health of members regarding cancellation of rehearsals or other band events scheduled during extreme weather

Process:

- BOM weather prediction to be checked on Wednesday evening news
- Rehearsal to be cancelled if BOM predicts maximum temp 38C or higher on day of rehearsal or event
- If other extreme weather events are predicted, decision regarding rehearsals to be made on a case-by-case basis
- Committee executive to liaise to confirm cancellation
- Secretary or other committee member to advise whole band via Muzodo mail out as soon as possible
- Members are encouraged to check email regularly during hot weather and other extreme weather events
